Production design Portfolio

Gautam Kumar

Production Designer

Gautam Kumar is a skilled production designer specializing in advertisements and web series. He has worked with leading brands such as ICICI, Lenskart, Krafton, Motorola, Realme, and Buds & Berries, as well as the web series Loop 11 47. Known for his keen eye for detail and a passion for storytelling through design, Gautam creates visually compelling and impactful work that elevates each project's narrative. His ability to blend creativity with technical precision makes him a sought-after professional in the entertainment and advertising industries.
